Dear Folks

Recieved my V-Mail today from Dot. Thanks a million. also got letter from Dot + El. Got one from Bobby Davis. Please try + send me about 6 undershot + undershirt + also some stockings + handkerchiefs. If there is anything we need in this Army it is those four articles.

Went to Church this morning. They have a beautiful church about a 10 minute walk from here. It was built in 1871. It is real beautiful but it cannot compare with the one back home. Surprised to hear that Dave Sewell got into the Navy. Hope he will like the service. Sorry to hear that O.K.S. had to Ironwood. Hope they have a good season. Recieved the Call regularly. Thanks alot. Please send some facecloths. That is something you don't see in this Army.

Snow is on the ground + now. It snowed most of last night. First snow since we arrived in Ireland. It sure is a lovely sight with all the snow. Hope to get some pictures taken soon. Will send some home as soon as possible. Guess I will write to Milton. Try + send Walter Thornhill's + Chubby Tracy address. Have last three. So long for now. Love to All

Dick.
